Our Norway Spruce are very fine in quality, and of the sizes quoted by the thousand, we have a most abundant supply. We import them from Europe, annually, direct from the growers, without paying commissions. They have been twice transplanted and have abundance of fibrous roots, and we offer them to our customers, of such excellent quality, and at such low prices, as cannot fail to give satisfaction.

Our DESCRIPTIVE CATALOGUE contains full directions for transplanting, pruning, and distance required, and short descriptions of the principal varieties of Fruit Trees, Shrubs, Roses, Ornamental Trees, and Evergreens, that are grown in the Brightwood Nursery.
